# GOOD TO KNOW

**9K2F** • The 11-16 March 9K2F activity from Faylakah (AS-118) [425DXN 1243] has been cancelled due to unforeseen circumstances beyond the operators' control.

**AFRICA DX CONTEST** • The inaugural Africa All-Mode International DX Contest, hosted by the South African Radio League, will be held from 12.00 UTC on 14 March to 12.00 UTC on the 15th. The objective is to stimulate contesting from Africa. All participating stations worldwide may work any country, but QSOs with African stations are awarded higher points. Complete information can be found at [www.africadxcontest.org](http://www.africadxcontest.org).

**ARRL CENTENNIAL QSO PARTY** • The window to apply for ARRL Centennial Points Challenge and W1AW Worked All States awards is now open: <https://centennial-qp.arrl.org>. Certificates will be available for the Centennial Points Challenge Award, while W1AW WAS Award participants will have the option of a certificate or a plaque. Certificates are \$16, and plaques are \$60. As for QSLing, US stations that worked W1AW/p and W100AW during the Centennial may request QSL cards via the Incoming QSL Service on the Centennial QSO Party web page ([www.arrl.org/centennial-qso-party#QSLs](http://www.arrl.org/centennial-qso-party#QSLs)). Cards destined for stations outside the US will be sent via the QSL Bureau. Direct cards should be sent to W1AW, 225 Main St., Newington CT 06111, USA. W1AW/p and W100AW will not confirm every contact on the traditional paper QSL cards, but will confirm QSOs for each mode and on most bands on a single card for each weekly operation.

**ARRL INTERNATIONAL DX CONTEST (SSB)** • Object of the contest is for W/VE amateurs to work as many stations in as many DXCC entities as possible on 160, 80, 40, 20, 15, and 10 metre bands, while foreign amateurs (also including KH6, KL7, CY9 and CY0) work as many W/VE stations in as many of the 48 contiguous states and provinces as possible (complete rules can be found at [www.arrl.org/arrl-dx](http://www.arrl.org/arrl-dx)). This year's event will run from from 00.00 UTC on 7 March through 23.59 UTC on the 8th. Do not forget to give a look at the Announced Operations listing maintained by Bill, NG3K at [www.ng3k.com/Misc/adxs2015.html](http://www.ng3k.com/Misc/adxs2015.html) - good contest to you all!

**CASS AWARD** • Presented annually, the Cass Award honours the wisdom and spirit of Cass WA6AUD (SK) and encourages DXpeditions to maximize the number of DXers worked with a \$1000 prize for the Single-Operator DXpedition that works the most unique callsigns over a two-week interval. The 2014 Cass Award has been won by Nigel Cawthorne, G3TXF: "While QRV from the island of Tristan da Cunha as ZD9XF in September 2014, Nigel G3TXF worked 9314 unique stations during the first 14 days of his one-man DXpedition, demonstrating an outstanding effort to log as many DXers as possible and setting a new Single-Operator Cass Award record". Club Log founder Michael Wells, G7VJR presented Nigel with his plaque and prize at the CDXC Annual Dinner is on 21 March. If you are interested in competing for - or contributing to - the 2015 Cass Award, please visit [www.cassaward.com](http://www.cassaward.com). [TNX AA6YQ]

"Murphy was a constant companion on this DXpedition and impacted our antennas and computers", the team says. "We beat Murphy back each time with skill and determination. You will be surprised to know that almost all CW was sent by hand keys". QSL via M0URX. Donations to help offset the very high air cargo costs are gratefully accepted, and can be sent via PayPal to [jh1ajt@\[f\]gc.or.jp](mailto:jh1ajt@[f]gc.or.jp).

**IOTA AUCTION** • The Publishers of DX-World will again take a stand at Ham Radio Friedrichshafen in June. This year, continuing their pursuit of financial support for IOTA DXpeditions, they are planning to auction some items received from team members of various island DXpeditions over the last few months. A number of attractive items have already been promised, including signed flags from some of the rarest islands recently activated and various items of memorabilia contributed by IOTA Management. The plan is still at an early stage and the team looks to readers to help them with ideas (or even products you may wish to donate) to generate that extra revenue for future IOTA DXpeditions. Please get in touch with the DX-World Team if you have something unique, quirky or

funny you would be willing to donate for auction for this very worthwhile cause. Full details are at <http://www.dx-world.net/small-update-from-dx-world/>. [TNX G3KMA]
